CHRIST PU COLLEGE, MALUR

Welcome to Christ PU College, a premier educational institution dedicated to the motto of Expertise and Excellence. Erected in the picturesque location at Malur Christ PU College with its enormous infrastructure offers a great ambiance for the wholesome development of students. The noble dream of this institution was instigated on October 2015 by a bunch of visionaries. Over the years, the college has undergone merlinesque metamorphosis and has reincarnated itself on kindle.

The college is affiliated to the Department of Pre-University Education, Government of Karnataka. The college provides a nurturing ground for the holistic development of an individual and also offers guidance in critical thinking and social openness. By providing students with a plethora of scrupulous and punctilious amalgamation on scholastic and non-scholastic activities, Christ PU College has yet again proved that it's not just academic that we focus on but every single endeavour that we choose to do. Christ PU College provides a unique platform to students to expand their horizons of wisdom in order to excel in everything and to expand the innovative quest for offering substantial contributions to the world and to the people.

Our Guiding Force

Christ, the teacher par excellence, is our supreme source of wisdom and guiding light. The institution is dedicated to Him who constantly exposes the Way, Truth and the paths of Life. Jesus Christ, the supreme light, pours real wisdom into the persons who really long for it with unending quest for innovative dynamism.

Our Founder

St. Kuriakose Elias Chavara, the founder of Carmelites of Mary Immaculate (CMI) Religious Congregation, is our prime source of inspiration. St. Chavara was a great educationalist and a social reformer of the 19th century. He was a great visionary who walked ahead of his time and became instrumental for educational revolution through farsighted vision coupled with creativity and integrity. Christ PU College is an incarnation of the educational dreams of our founder. The seminal influence of his vision and dreams permeates our activities.

MISSION

Christ PU College is an academic venture nurtured by copious and exuberant expertise and experience of Carmelite Congregation ensuring innovative academic ambiance, creating visionary and patriotic professionals with outstanding academic scholarship upholding noble life principles.

VISION

Expertise and Excellence: Christ PU College envisages integral growth of an individual with professional excellence, academic brilliance and moral integrity by offering excellent academic expertise which would equip them to remain competent in the global village.

EDUCATIONAL POLICY

We are convinced that the aim of all education is the formation of the human person for the fulfillment of his individual and social responsibilities. Christian education further aims at his growth into manhood according to the mature measure of Christ. Conscious of these aims of human and Christian education we try to give an excellent and all-round formation to the students in our educational institutions. We concentrate more on quality than on quantity and foster good inter-personal relations. In this process, we are conscious that our exemplary life always remains the most important factor in our educational apostate. Being convinced of the importance of education in the modern world and keeping alive the legacy inherited from our founder, Blessed Kuriakose Elias Chavara, who was a pioneer in the field of education in Kerala, almost one third of the members of the Congregation are engaged in this apostate.

MESSAGE FROM PRINCIPAL

Christ PU College is an institution committed to the promotion of holistic development of every student. This growth process indispensably depends on the individual's target setting and the mechanisms of its execution. Target setting triggers for much changes in personal performance and development. This process designs the action plan which moulds the individual destiny. A target in life is an invigorating factor because it empowers an individual to focus his or her efforts in a specific direction. Higher targets and exalted expectations create an ambiance of increased productivity. The limited years of Pre-University course prepare the students to venture upon their targets and expectations. Viewed through

the lens of high expectations and noble targets, a student must be able to establish an ambitious academic goal. The process of target setting equips the learners to invest themselves in achieving the academic goals with their relentless and incessant efforts. The academic pursuit of every student can be refined with a constant task of self-evaluation and performance measurement.

I urge you to set an aspiring academic goal and fix the eyes on the wider horizons of expectations. This assiduous and industrious efforts may design the avenues of greater productivity and permanent success. Also I welcome you to explore the possibilities of this architectural fabric and academic atmosphere.
